Mr. Ajit Pai, Chairman
Federal Communications Commission
445 12th Street, SW
Washington, DC 20554

Dear Mr. Pai:

I am writing you to express my deep concern for the FCC's effort to remove the "Net Neutrality" rules from Title 2 back to Title 1. Net Neutrality must not be weakened by your administration, and feel strongly that access to high speed internet should be completely independent of the website being visited.

Please keep the Net Neutrality rules under Title 2.

Regards,
